

ST BENEDICT'S CHURCH

Parking Allocation – Weddings

There are 7 car spaces on site for use on your wedding day. Due to the lack of parking on site each space needs to be pre-booked.

You can allocate the spaces to whoever you wish but generally these spots can be for elderly or less mobile guests, your parents, photographer, musicians etc.

Anyone not listed below will be directed to park elsewhere.
NO EXCEPTIONS!

We ask that you advise your guests there is NO ON-SITE parking. The closest parking is Broadway Shopping Centre which is a 3-5 minute walk from the church. Parking is free for the first two hours.
